LEARNING IS FUN!

The preschool department of Sweethaven Christian Academy provides quality programs for children ages 3 and 4. We have been helping young families meet the social, physical, and cognitive needs of their children for over 40 years.

The school year runs September through May. Sweethaven provides care as needed starting at 6:00 a.m. and ending at 6:00 p.m. each day, Monday through Friday. The main educational instruction takes place during the morning hours. Parents have the option of starting their child in June for ten weeks of Summer Camp operating the same hours.

As an educational ministry of Sweethaven Baptist Church, our preschool is religiously exempt from licensure and is classified as a “religiously exempt child day center.” It is our goal to provide the right foundations to build active minds and happy hearts.

STRONG ACADEMIC PROGRAM

Sweethaven Christian Academy provides both an environment and a curriculum conducive to effective learning. We believe quality education includes building strong spiritual character, patriotism, and self-discipline. Careful planning and textbook selection provide a quality curriculum with the student in mind. We use the *Abeka* program for all curriculum. The *Abeka* approach to Christian education keeps learning lively, interesting, and memorable. For more information on the *Abeka* curriculum go to www.abeka.com.

Summer Camp is available to students 3 years old through kindergarten who are enrolled in SCA. It will run from June 12 to August 21, 2019. The Virginia Health Form should be submitted before the first day of Summer Camp.

IS YOUR CHILD READY FOR PRESCHOOL?

We find that most children at the age of three are ready for our program. However, here are a few things to keep in mind as you consider Sweethaven:

- Students must have had their third birthday before attending our 3-year-old program. We accept students as they turn 3 for the first semester. All children turning 3 after February 1, must wait until the June session to start.
- To attend our 4-year-old classes, a new student must turn 4 by the end of September.
- All students must be completely potty-trained. No pull-ups are allowed. Students must be able to attend to bathroom needs without assistance.
- Preschool schedules follow typical routines day in and day out. Your child should be used to following a routine at home and should demonstrate self-control.
- Naptime is a part of our daily schedule. Even if your child does not nap at home, he will still be expected to quietly stay on his cot during naptime.

Sweethaven reserves the right to determine whether a child is adjusting well. We will let you know if your child should wait another semester to start preschool.
